Don't worry!

I really don't expect you will read all the Gospels through 21 times before
you start studying John...

But I do expect that you will try as hard as you can to read them through as
many times as you can!

Once you have read the Gospels through three times marking God the
Father, God the Son, and God the Spirit,
Feel free to choose which marking you would like to do next!

Once you see how valuable pre-course observation is,
You won't want to start studying any book of the Bible without doing it!

What exactly must you believe in order not to die in your sins?

What did they ask Jesus?

Had Jesus told them previously Who He was?

Does He remind them that He had been telling them Who He was all along?

What did Jesus have to do concerning the Pharisees?

1.

2.

Who is He Who sent Jesus?

How does Jesus describe Him?

What did Jesus speak to the world when He came to the world?

What didn't they realize?

Did you recognize that Jesus was speaking about the Father?

John 8:28-29

When would they know that Jesus was God?

What else would they know when they lifted up the Son of Man to be crucified?

2.

3.

Who was with Jesus?

In what condition had the Father not left Jesus?

John 8:30

What happened as Jesus spoke these things?

John 8:31-32

To whom does Jesus now speak?

What definite criteria did Jesus give for a true disciple of His?

Do you? Have you?

What will be the result of being a true disciple of Jesus—one who continues in His word?

What will be the result of knowing the truth?

John 8:33-47

What was their answer to Jesus?

Had the Jews ever been enslaved by another nation?

Were the Jews at that very moment free or enslaved to another nation?

Who does Jesus say is the slave of sin? (Notice that it does *not* say whoever commits sin *becomes* the slave of sin! If you sin as a way of life you are *not* saved! You are a slave to sin!)

Who does not remain in the house forever?

Who does remain in the house forever?

What is true if the Son makes you free?

How will the Son make you free? (Context!)

From whom does Jesus say they have descended?

Is it normal and ordinary that a descendant of Abraham would seek to kill Jesus?

Why not?

Why were these Jews seeking to kill Him?

What things did Jesus speak?

How does Jesus compare His relationship to His Father with their relationship to their father?

Who do they claim to be their father?

What does Jesus say would prove that they are sons of Abraham?

What deeds do the sons of Abraham do?

What deed were they trying to do?

What deed did Abraham never try to do?

How does Jesus describe Himself?

Where did Jesus hear the truth?

Jesus once again accuses them of doing the deeds of their father. What is their answer?

Why do they turn from trying to claim Abraham as their father and now try to claim God as their father?

Jesus has just proven that Abraham cannot be their father because they are doing deeds that Abraham would not have done. Now what is He going to prove?

Again Jesus uses their deeds to show who their father cannot be. What deed is missing that would have to be in existence if God were their Father?

Why would they love Jesus?

1.

2.

3.

4.

Why can't they understand what Jesus is saying?

Why can't they hear what Jesus is saying? (**Verse 47**)

What is true when the devil speaks a lie?

What is the devil's own nature?

Who is the father of lies?

What does it mean to be the father of something?

What does it mean to be the father of lies?

Why don't those listening to Jesus believe Him?

Can anyone point to any sin in Jesus?

Why not?

What does it prove that they can't accuse Jesus of any sin?

Since Jesus speaks only truth, there must be a reason why they don't believe Him. What does Jesus say that reason is?

You can't believe words that you can't hear. Why can't these people hear the words that Jesus speaks?

Who has Jesus been speaking to in this section? (**Verse 31**)

Had they believed unto salvation?

How do you know?

Is it possible to believe in Jesus and yet not be saved?

Is there a belief or a faith that does not result in salvation? **James 2:14-26**

What are the people doing to Jesus?

Does Jesus seek His Own glory?

Is there One Who seeks Jesus' glory?

Is there One Who judges?

What is true of anyone who keeps Jesus' words?

Of what did the Jews continue to accuse Jesus?

Why? What was their flawed reasoning?

John 8:54-59

What is true of Jesus' glory if He glorifies Himself?

Who glorifies Jesus?

What do the Jews say about Jesus' Father?

Do the Jews know Jesus' Father?

Does Jesus know His Father?

What would Jesus be if He said He didn't know His Father?

What does Jesus do because He knows His Father?

What did Abraham rejoice to see?

Did Abraham see it?

What do the Jews use to debate the fact that Jesus even knows Abraham?

What does Jesus use to prove the fact that indeed He does know Abraham?

What had Jesus said that started off this last section of debate? (**Verse 24**)

How did the Jews try to end this debate?

What did Jesus do?
